

National Workshop on Christian Unity

May 12-15, 2003 + Savannah, Georgia

~ Wednesday Evening Optional Social Event ~

Historic District & Church Tour

on

Wednesday, May 14th, 6:00 to 8:30 p.m.

Visiting Savannah without taking a tour of the Historic District would be like going to Hawaii and never seeing a beach or like going to Paris and not seeing the Eiffel Tower or like going to New York and not riding on the subway.

To save you from making this error, an optional

Historic District & Church Tour

is being planned for the evening of Wednesday, May 14th.

You will be picked up at the front door of the Workshop hotel. From there the tour will visit churches in the historic district. At each stop, a member of that congregation will welcome you to their place of worship and tell you about its history. As you travel from church to church, a professional guide will describe the history of Savannah, Georgia's colonial capital, and the important sites you will be passing along the way.

At the end of your journey a Southern Stand-Up Supper will be served in the Savannah History Museum, formerly the Central of Georgia Railway terminal.

Space on the tour is limited. Make your reservations now.

The tour, including supper, costs \$38.

Please include a separate check for \$38 payable to

National Workshop on Christian Unity

and return it, with your completed National Workshop registration form.
